

GRAINGROWERS NATIONAL POLICY GROUP SOUTHERN REGION ELECTION RESULTS

19 December 2019

GrainGrowers' members in the Southern Region have voted for their National Policy Group (NPG) representatives. The NPG determines GrainGrowers' policy positions and represent the views of farmers on national issues affecting the grains sector.

The five Southern Region representatives that have been elected are:

Martin Honner, Junee NSW
Mark Hoskinson, Kikoira NSW
Daniel Keam, Wallup VIC
Kate Maddern, Kaniva VIC
Stuart McDonald, Canowindra NSW

"I would like to congratulate the successful candidates. I know each one of them will be bringing significant experience and strong interest in our industry. They will be excellent representatives on behalf of their fellow growers on national issues." said Brett Hosking, GrainGrowers' Chairman.

"Growers across Australia have had a really challenging season, I'd like to recognise and thank all the candidates who put themselves forward for consideration." said Hosking.

The GrainGrowers NPG is made up of fifteen farmers; five from each of the GrainGrowers regions – Western Region (SA and WA), Southern Region (southern NSW, VIC and TAS) and the northern region (northern NSW & QLD).

The first meeting for the GrainGrowers National Policy Group including the newly elected Southern Region representatives will be in February 2020 at the GRDC updates in Perth.

About

GrainGrowers is a national grains representative organisation. We have around 17,000 grower members across Australia. We work to build a more efficient, sustainable and profitable grain production sector. Our key pillars are policy and research, alongside leadership and events designed to build on the knowledge and capability of our growers. Our growers are at the heart of all that we do and the focus of our work.
